Call for Quotations

Quotations are called from the competent firms to develop the webpage for the project "**Advanced Biotech Innovation Centre-Aquamarine**" to be established at College of Fisheries, Mangalore. The dynamic webpage will have multiple pages highlighting the purpose and the objectives of the project, activities, notifications, gallery and the contact details etc. Interested web designers may send their lowest rates in a sealed cover and posted to the given address. The Quotations must reach this office before 12.03.2022.

Thanking you

With Regards

Dean (Fisheries)

2/3/22
